OF BUSINESS

Join The Davos of Human Capital on the 12th of July 2018 when Duke Corporate Education brings you a high impact one day event where talking tech is not enough - humans make the difference.

Why attend The Davos of Human Capital?

Our world is driven by major technological and economic shifts that are causing significant social and political disruption. This rapid and increasing speed of change in digitization, artificial intelligence and automation are opening up new and exciting possibilities. Technology will undoubtedly change our common future. How we shape our society and determine how we work will depend largely on how we respond to these shifts.

Thursday 12 July 2018

8:30am to 4:30am

The Forum inside The Campus Office Park
Sloane Street, Bryanston

What to expect?

Global best selling author Daniel Pink as keynote, invigorating dialogue, an immersive experience, exposure to fresh ideas for the future, rich networking opportunities and some of the globes leading business and learning minds

Keynote: Duke CE is excited to bring New York Times best-selling Author Daniel Pink to South Africa for The Davos of Human Capital.

Daniel Pink is one of the best-selling nonfiction authors of the last decade.

His 5 books on work, business, and behavior have been translated into 35 languages and have sold more than 2 million copies worldwide. Join us for The Scientific Secrets of Perfect Timing - Perfect timing has never been more important. Change has never been this rapid in the history of humankind - so timing matters. Pink is a best-selling author and in-demand speaker around the globe. For over an hour he is all yours.

Ethical dilemmas of the future: You've been warned

The Dean of the Fuqua Business School, Bill Boulding - Duke University @BillBoulding Ranked among the best business schools in America Professor Boulding will outline the traps you should not walk into in the future. Missing it could be costly.

Count on us, a Presidential Call to Action:

Business leaders all around South Africa must unite to deliver a better world, this challenge was recently made by President Cyril Ramaphosa. How can you contribute to the future of this country?
