# **WOMEN LEADING FROM THE EDGE**

*Leadership in Motion*

*As a woman in business what is  
the next practice to unlocking MY full potential*

Women Leading from the Edge is a programme to give women in business, at all levels, a considered voice. It considers the multiplicity of a woman in her numerous roles and how she remains effective in all aspects of her multiplicity. It is a transformational journey at her own pace and meets her own unique needs. This intervention will guide her to live her leadership legacy every day in her personal life and her business journey.

## **TARGET AUDIENCE**

Women in a business role in motion, in management and leadership roles seeking their voice, tools and insights to manage and lead in the VUCA environment faced locally and globally

Duke Corporate Education has been ranked by Financial Times in the top 3 globally for the past 19 years as the best in class in customized education. Duke CE specialises in Metaphoric Experiences™ as a core learning methodology for leaders in the 21<sup>st</sup> Century who need to know what the levers for leadership are, for what's next.

# Women Leading from the Edge has 3 Modules.

To be exposed to the full benefit of the process it is imperative for women to attend all 3 modules.  
**Module 1 is however obligatory as it is the foundation and anchor for a change in mindset.**

*To perform at the very edge of leadership and lead with 21<sup>st</sup> Century Leadership Competencies, women require deep personal insight, absolute skills and tools to ensure their own and others success ~BK~*
