

# FOR LEADERS WHO WANT TO LEAD CHANGE IN THEIR BUSINESS

## Leading Minds Breakthrough Coaching

Duke CE's Leading Minds Breakthrough Coaching offers coaching interventions for leaders that trigger exponential change for business performance in areas such as resilience, digital leadership, automation and AI, diversity and inclusion, mindfulness, sustainability, supply chain, new world of work, innovation, customer centricity and more.

Disruptive thinking and deep engagement with experts help to address burning issues relevant to your organizational context. Participants will have virtual live coaching access to international leading minds in order to:

- stretch and inspire you to think beyond normal boundaries;
- disrupt your status quo and move you to the next level of performance.

### ► Our Approach

Duke CE offers a bespoke coaching model where global thought leaders are selected specifically for their ability to act as catalysts for tailored breakthrough thinking.

We customise your breakthrough journey by matching a global thought leader to coach you and your team for your unique challenge or opportunity.

We set up dedicated coaching time with you and your team to engage, explore, create mindset shifts and build your internal capability around the relevant topics.

Disrupt your status quo and move to the next level of performance through coaching sessions.

### ► Learning Vehicle

Dedicated, international leading minds are matched to meet your challenge or opportunity.

Expert global thought leaders relevant to your context

Focused and disruptive sprints with your selected coach to accelerate to the next level of performance
